#### ADVISORY: O'FARRELL TO ADDRESS STATE OF NIGHTCLUB CULTURE IN HOLLYWOOD

HOLLYWOOD - Los Angeles City Councilmember Mitch O'Farrell, joined by the Los Angeles Police Department, will make a statement regarding recent permit violations at a popular nightclub venue, while also encouraging other nightlife establishments to strive for a safer Hollywood that lives up to its world-class brand.

O'Farrell will comment on these recent permit violations, and dangerous incidents related to the nightclub culture, during a press event on Thursday, October 8, 2 p.m., on the southeast corner of Hollywood Blvd and Las Palmas Ave, Los Angeles, CA 90028.

The Councilmember will be joined by a representative from the Los Angeles Police Department [PLEASE CONFIRM], the Department of Building and Safety [PLEASE CONFIRM], and members of the Hollywood community.

When operating a club in the City of Los Angeles, establishments must receive a conditional use permit from the City. The permit dictates various guidelines for operation, which could include hours of operation, age

restrictions, alcohol and food sales, capacity, and promotions. Many clubs in Hollywood have been cited for violating these types of conditions.

In August 2015, a 20-year old male died at a Hollywood nightclub, and in a separate incident last Fall, investigators say a female college student was sexually assaulted.

**WHAT:**

**O'FARRELL TO ADDRESS STATE OF NIGHTCLUB CULTURE IN HOLLYWOOD**

**WHO:**

Councilmember Mitch O'Farrell, 13th District

Captain Pete Zarcone, Los Angeles Police Department

XX, Los Angeles Department of Building and Safety

**WHEN:**

So sorry for the late notice. I am not able to attend tonight.

If it is possible to mention this during the meeting – recently CM O'Farrell held a press conference regarding nightclubs in Hollywood. We are very engaged with LAPD on this issue and making sure that all nightclubs in Hollywood obey their CUPs.

As folks may be aware, the Cashmere club will be the subject of a public hearing this \*Thursday, October 22nd, at 11:00 AM at City Hall (Room 1020).\*

This is a Public Hearing held by the Office of Zoning Administration regarding the Conditional Use Permit at this location. The purpose of the hearing is to determine possible abatement of any nuisance at this location, or a possible revocation of the permit to operate.

The hearing notice is attached. It is open to the public if people would like to come and offer thoughts on the matter. They can also submit in writing to\* Tim Fargo at the Department of City Planning: tim.fargo@lacity.org <tim.fargo@lacity.org> or (213) 978-1458 <%28213%29%20978-1458>.\*

Thanks!!

Dan,

Attached is a spreadsheet that I put together with a list of dates and overages during the 2014 year (as well as Halloween 2013). I also attached a couple reports as examples of the documentation that the club keeps as to attendance and incidents (it includes the club name, date, age range). I pulled the dates/times/capacities from an SMS backup I performed on my phone in late 2014. The numbers were derived from the box-office staff texting the security managers hourly in-count's to monitor capacity. The one problem with this was that they would text a number that was over our capacity, but the Director of Security or GM would usually then take it upon themselves to over-ride the limit and let more people in. As they stated, as long as the patrons were able to move around the bar area, we would still let people in the building and onto the floor. Most of 2014 (thru May) was during a remodel period as well, which limited our capacity by having different area's cordoned off, thus the capacity issues would be exacerbated.

I also attached the video I received re: the EMT assault at the club recently as well as the email exchange I had with a patron of the club on April 05, 2015.

I included the Halloween capacity as a benchmark – since this date was a Thursday, and the club was 18+, it was quite busy, but I suspect that with Halloween being on Saturday this year, that the counts will be as great or higher. The club also closed at 3:00AM that night, Saturday's are "After-Hours" which will run until about 7 or 8AM this coming Halloween.

Thanks again for your time.

Dennis

Good morning Captain Zarcone and Captain Pape,

As you may know, on Sunday November 15th at 1:00 PM, the intersection of Hollywood/Highland will be upgraded to a "scramble" (diagonal) crosswalk. This new feature will separate pedestrian crossings from vehicular crossings, and allow pedestrians to cross in all directions all at once, including diagonally.

LADOT Traffic Control Officers will be deployed to the intersection to help direct traffic and pedestrians at the following dates/times:

\*Sunday 11/15 from 1000 - 1800 hrs\*

\*Monday 11/16 from 0700 - 2000 hrs\*

After that, we were hoping that LAPD Hollywood and/or West Traffic personnel may be available to help monitor the intersection and/or direct traffic/pedestrians as need be, to help folks get adjusted to the new setup. Even if personnel is only available at peak times (i.e. evenings and/or weekends), that would be extremely appreciated.

Please let me know if this is something that LAPD may be able to assist with, and also let me know if you have any questions.

Thank you,

Captain Zarcone and team:

We are working on a Public Records Act request related to nightclubs, but I wanted to check with you before turning over the information.

The attached documents from LAPD (crime/arrest reports, etc) are related to Cashmere nightclub. I believe these are confidential and should not be released to the public, but could you please advise?

Thanks,

I would like to schedule the next meeting of the Hollywood Nightclubs Task Force, to follow up on our meeting from earlier this month.

I would like to schedule it for the same place -- community room at Hollywood South.

Would \*Tuesday, February 9th from 2:00 to 4:00 PM\* work for you?

Thanks,

Yesterday afternoon, and last Thursday, police conducted some kind of action, she says police were armed with rifles, one with a blow-horn, she's concerned that the school was unaware of this action, and would like some info about the events. Her son attends the CWC Charter school on Carlton Way, and she actually follows Mitch on Instagram.

She said she also left a Officer Sevdalian a VM.

Deputy Chief Girmala and Captain Palka,

Hope you are both well! Captain Palka, we are looking forward to working with you again in Hollywood. Congratulations!

As we prepare for this transition, Councilmember O'Farrell would like to meet with both of you to discuss the Hollywood area and matters of importance to the 13th District.

Would you both happen to be available on \*Friday, March 4th at 2:00 PM?\* The meeting would take place at our \*City Hall\* office - 200 N. Spring Street, \*Room 480\* (please note our office has changed -- we are now in Tom LaBonge's old office).

Please let me know if March 4th works for you. Captain Palka, please also let me know the best number to reach you at so I can touch base with you beforehand if necessary.

Thank you both for all that you do!

Sincerely,

Good morning everyone,

FYI, please see below the press release that our office released this morning.

Earlier today the City Council \*affirmed\* the ZA's determination from December \*revoking\* the Conditional Use Permit for the Cashmere nightclub location.

The club had appealed the determination, but the City Council has rejected the appeal and affirmed that the permit should be revoked.

Please let me know if you have any questions.

Thanks!

RELEASE: CITY COUNCIL VOTES TO REVOKE OPERATING PERMIT FOR CASHMERE  
NIGHTCLUB

Announcement follows recent violations, ranging from sexual assault to  
selling liquor to minors

CITY HALL -- Los Angeles City Councilmember Mitch O'Farrell announced  
Wednesday that the City Council affirmed the Department of City Planning's  
(DCP) decision to revoke a conditional use permit (CUP) for a Hollywood  
nightclub because of multiple land use violations and criminal activity.

Cashmere, also known as The Day After, located on Hollywood Boulevard at  
North McCadden Place, has been the focus of numerous investigations by the  
Los Angeles Police Department (LAPD) and the Los Angeles Department of  
Building and Safety (LADBS). In August 2015, a 20-year old male DJ died  
while employed at the nightclub, and in a separate incident in 2014,  
investigators say a female college student was sexually assaulted.

"The incidents at Cashmere presented the City with an opportunity to  
streamline the process of bringing rogue nightclubs into compliance," said

Councilmember O'Farrell. "These events serve as an example of the brazenness of some club operators to thumb their nose at the law and their utter disregard for the safety and security of their employees and patrons."

When operating a bar or club in the City of Los Angeles, establishments must receive a CUP from the City. The permit dictates various rules for operation, which could include hours of operation, age restrictions, alcohol and food sales, capacity, and promotions. Many clubs in Hollywood have been cited for violating these types of conditions.

"My office has created a task force consisting of the City Attorney's office, LAPD, DCP, LADBS, Los Angeles Fire Department, and Alcohol & Beverage Control to make sure scofflaw clubs like Cashmere comply with City permits: If they do not, we will shut them down as expeditiously as possible, so nothing like this can happen again. Let this send a strong message."

This news comes on the heels of the closure of another Hollywood nightclub, Supperclub, which had been cited for multiple violations of its terms of probation with the City Attorney's office, and whose conditional use permit expired last week.

The Council action today will revoke Cashmere's CUP at their address on Hollywood Boulevard, and if the owners continue to operate, law enforcement can shut them down immediately.

Good morning everyone,

FYI, please see below the press release that our office released this morning.

Earlier today the City Council \*affirmed\* the ZA's determination from December \*revoking\* the Conditional Use Permit for the Cashmere nightclub location.

The club had appealed the determination, but the City Council has rejected the appeal and affirmed that the permit should be revoked.

Please let me know if you have any questions.

Thanks!

RELEASE: CITY COUNCIL VOTES TO REVOKE OPERATING PERMIT FOR CASHMERE  
NIGHTCLUB

Announcement follows recent violations, ranging from sexual assault to  
selling liquor to minors

CITY HALL – Los Angeles City Councilmember Mitch O’Farrell announced  
Wednesday that the City Council affirmed the Department of City Planning’s  
(DCP) decision to revoke a conditional use permit (CUP) for a Hollywood  
nightclub because of multiple land use violations and criminal activity.

Cashmere, also known as The Day After, located on Hollywood Boulevard at  
North McCadden Place, has been the focus of numerous investigations by the  
Los Angeles Police Department (LAPD) and the Los Angeles Department of  
Building and Safety (LADBS). In August 2015, a 20-year old male DJ died  
while employed at the nightclub, and in a separate incident in 2014,  
investigators say a female college student was sexually assaulted.

“The incidents at Cashmere presented the City with an opportunity to  
streamline the process of bringing rogue nightclubs into compliance,” said

Councilmember O'Farrell. "These events serve as an example of the brazenness of some club operators to thumb their nose at the law and their utter disregard for the safety and security of their employees and patrons."

When operating a bar or club in the City of Los Angeles, establishments must receive a CUP from the City. The permit dictates various rules for operation, which could include hours of operation, age restrictions, alcohol and food sales, capacity, and promotions. Many clubs in Hollywood have been cited for violating these types of conditions.

"My office has created a task force consisting of the City Attorney's office, LAPD, DCP, LADBS, Los Angeles Fire Department, and Alcohol & Beverage Control to make sure scofflaw clubs like Cashmere comply with City permits: If they do not, we will shut them down as expeditiously as possible, so nothing like this can happen again. Let this send a strong message."

This news comes on the heels of the closure of another Hollywood nightclub, Supperclub, which had been cited for multiple violations of its terms of probation with the City Attorney's office, and whose conditional use permit expired last week.

The Council action today will revoke Cashmere's CUP at their address on Hollywood Boulevard, and if the owners continue to operate, law enforcement can shut them down immediately.

Captain Palka,

I believe Monday will be your first day back at Hollywood. Would there be a convenient time for me to stop by and say hello?

If not, that's OK - I know it will be a busy day. But if possible it would be great to touch base before our meeting with the Deputy Chief on Friday.

Please let me know.

Thanks, and welcome back!

Cory and Darrell:

Great seeing you both last night and thank you for allowing me to say a few words on CM O'Farrell's behalf.

Bureau of Sanitation will be cleaning 11 homeless encampments in CD13/Hollywood Div. this coming Saturday, March 12th. All of these encampments have gone through the protocol and process as outlined by City Attorney, so the folks here have gotten significant outreach and offering of services. The locations are posted for cleanup 72 hours in advance.

The list of locations is below. Usually we have a SLO and/or the HOPE team present at the cleanup. Since it's a Saturday, I believe most of the SLOs are off. But could we get an officer(s) to accompany Sanitation (and myself) at this cleanup?

Please let me know... Thanks!

Thank you, gentleman. I spoke to Armen S. today and he said that he can meet the crew once training is complete (I believe around 11:00 AM). Prior to that, and starting at 0830 hours, it would be great if we could get a patrol car. The first location will be on \*El Centro Ave b/w De Longpre and Sunset. \*My cell is 213-254-7214 (work) and 323-383-1327 (personal) and any of the officers can feel free to text or call me at any time prior to meeting.

Captain Carranza, could we get a patrol car to meet us on El Centro on Saturday 3/12 at 0830 hours?

Thanks!

It's a nighttime issue so I figured it may be more of an issue for whomever is on duty in the evening. I asked the apartment manager to try to cognizant from his end.

Dear Sgt. Munoz, Officer Thompson, and Dan,

By way of this email, please meet Rachel Wells. Rachel recently moved to Hollywood and lives across the street from Manor Nightclub at 1718 Vine Street, which Rachel reports is a very noisy nightclub. Please read the attached emails which explain the situation in more detail. I just spoke with Rachel and she is frustrated with the City's response thus far and is exhausted as a result of being kept awake last night by the noise.

Since November Rachel has called LAPD repeatedly and yet the problem persists. I assured Rachel that once LAPD Vice Sgt. Munoz and Investigator Thompson, Dan Halden - Field Deputy to Councilman O'Farrell, and the Hollywood Neighborhood Prosecutor (me) are aware of the problem, it should cease immediately.

Sgt. Munoz and Inv. Thompson, if Vice visits the location tonight, please skip the warning, if warranted cite for the noise, and notify me immediately.

Please please please do something about this.

I have called the police several times as have many in my building. Tonight I've called twice and a neighbor says he's calling now.

I am a tax-paying homeowner with a j-o-b to go to in the early morning and am kept up AGAIN with booming music in the outdoors club below me. I am convinced it is not properly zoned to be an outdoors club. At the very least it is far past the ordinance allowing ambient noise.

I am seriously spending the time I can't sleep tonight because of this, laying in bed thinking of ways I can just be far better off to sell my condo and get out of here over this.

It's horrible and it makes for a horrible neighborhood. It's so unacceptable.

Hi Jacky,

My name is Rachel and I'm a homeowner at 6253 Hollywood Blvd. (the Lofts @ Hollywood and Vine).

The business behind my residence recently changed hands— it is now called Manor Nightclub at 1718 Vine Street. It has become a nightclub from a previous restaurant business (Asa Meza, then Tiffanys on Vine). It has an outdoor patio on which they nightly (and during the weekends starting at approximately 12pm in the afternoon) blast music from a DJ – basically it's a giant party on the back patio and I'm convinced it is not properly permitted to do that. I have seen no public notices or anything for it.

Basically, my home has become unlivable as EVERY SINGLE night until 2am, the music blasts – and far past the ambient level on my 7th level apartment unit when the windows are closed.

As I type I am incredibly frustrated as there is no number to call them (it's kind of supposed to be I think a 'secret' type club) to even call and ask them politely. I have today finally called the police and are awaiting

their response and have left a message for those handling nuisance noise complaints at LAPD.

This is now the fourth straight day/night of this. (they take a break on Mondays and Tuesdays). But since December it's been EVERY SINGLE night and it has been this loud and un-livable.

It's like having a neighbor who has an outdoor huge party everynight and you can't make it stop. I took a video tonight from just with my hand and phone outside of the window so you can see how loud it is.

It feels a direct violation of this ordinance:

\*112.01(c) lamic- noise emitting from nightclubs\*

- Any noise level caused by such use or operation which exceeds the ambient noise level on the premises of any other occupied property, or if a condominium, apartment house, duplex, or attached business, within any adjoining unit, by more than five (5) decibels shall be a violation of the provisions of this section.

Please advise on the best course of action. I am a relatively new resident to California... and just earlier this year purchased my condo in Hollywood. I came from New York City and have a very high tolerance for noise. This is just unbelievable.

Sincerely,

Rachel Wells

Good afternoon Capt. Palka, Capt. Carranza and Mr. Tefank:

I hope you are all enjoying your Friday. Would you have any time this afternoon to hop on a conference call about some Hollywood issues?

I'd like a few minutes to brief you all about some matters and figured it would be easiest and most efficient to just get everyone on the same page at the same time, if possible.

I am free for the rest of the afternoon. Please let me know if this will work for you.

Thanks!
